Re: CONSUMER AND GOVERNMENTAL AFFAIRS BUREAU SEEKS COMMENT
ON PETITIONS CONCERNING THE COMMISSION'S RULE ON OPT-OUT
NOTICES ON FAX ADVERTISEMENTS

CG Docket No. 02 - 278

CG Docket No. 05 - 338

COMMENT

My attention has been called to the existence of the above matter (DA14-1057), of which I wish to be able to make a further comment.

The public notice of this matter is inadequate because it does not give meaningful notice to the public of the substance of the matter for which comments are being solicited. Particularly, it makes reference to various petitions and other documents without advising the public, when, where or how the public may examine these corresponding materials¹.

Moreover, the Notice gives instructions about "Persons making oral ex parte presentations," but it provides no information as to how "oral" presentations are to be made.

Request: That the Notice be redrafted and republished to give more meaningful information to the public (from whom comments are being solicited).

Thank you.

¹ I have been able to ferret out that at least one of the reference documents might be on the Internet. See, <http://apps.fcc.gov/ecfs/document/view.jsessionid=qBnmT2vGqd2pljBsSVk1QvPnkV2v2JcnNPncmsWkP!QwbpgTqdYh!1565474435!74404766?id=7521356532> (?). Is this one of the actual documents being referenced in the Notice?
